Has to be one of the finest TR7's in existence. "Very Sorted". Excellent mechanical condition. Can be driven in modern traffic conditions. Great road holding, with really nice exhaust tone and exhilarating performance.

BODYWORK : Pale gold. No rust at all. Never been welded. Superb underbody. Unblemished.

HOOD & TONNEAU : Black vinyl. In excellent condition.

INTERIOR : Beige interior. Very good condition.

MECHANICALS :

2000cc OHC motor. Low mileage.

Brakes, clutch & 5-speed gearbox all excellent. Upated front shocks and suspension.

Tyres on attractive mag rims.

The owner has driven many English sports cars – MG's; Morgans; Sunbeams; Healeys, in this category, circa 1500/2000cc and have enjoyed this car immensely, despite the underserved criticism. This car does not disappoint in any way.
