

A Triumvirate of sorts

These three members of The Triumph Sports Car Club of South Africa attended the Club's first National Gathering held in 1978 at the Maselspoort holiday resort some 20 kms outside Bloemfontein in the Free State, South Africa.

National Gatherings of the Club are held bi-annually.

What is remarkable is that they also attended the Club's National Gathering which was held in 2018, again at Maselspoort, in the same cars they used 40 years before.

From left to right are Alan Grant, Club President with his black TR3, Nols Pienaar, Club Registrar with his dark green TR4A and René de Villiers, Club Secretary with his dark blue TR3.

The building in the background is the water purification plant which supplies potable water to Bloemfontein and surrounds.

Photo taken on the 28th of April 2018.
